

# iMIS 15.1

ready. set. evolve.

We are proud to announce that *iMIS* 15.1 is now available! *iMIS* 15.1 provides unprecedented flexibility by providing a platform for web publishing of any existing *iMIS* functionality to provide all your users a unique web experience.

## iCreate — The Power to Simply Extend iMIS

*iMIS* 15.1 introduces *iCreate*, a new suite of tools for tailoring and extending *iMIS*. *iCreate* combines existing and new tools into:

*iCreate* Standard Tools (included with *iMIS* 15.1)

- **Site Designer** – Tailor *iMIS* navigation and menu options.
- **iMIS Business Objects (iBO)** – Integrate to third-party applications, while ensuring the integrity of shared data, with the .NET *iMIS* API
- **iMIS Query Architect (iQA)** – Create complex queries and reports accessible from anywhere in the *iMIS* system.
- **Customizer** – Add custom fields and screens to the *iMIS* system.
- **Document Library** – Administer *iMIS* system folders and files.

*iCreate* Advanced Tools (included with *iMIS* 15.1 if you are currently on *iMIS* 15 or upgrade to *iMIS* 15 by Sept. 30, 2009)

- **Content Designer** – Publish *iMIS* functionality to your website and tailor *iMIS* Public Views, regardless of the web content management system you use.
- **Business Object Designer** – Edit underlying system logic in *iMIS* to meet your organization's unique business requirements.

## More Great iMIS 15.1 Improvements

*iMIS* 15.1 includes a new ASP.NET Web Content Management (WCM) module, which provides your organization with the ability to create, categorize, and manage web content across multiple websites. *iMIS* 15.1 also includes a new ASP.NET Communities module with forums, document libraries, blogs, and wikis.

*iMIS* 15.1 includes support for Microsoft SQL Server Reporting Services 2005, in addition to Crystal Reports. This free reporting tool allows dynamic reporting directly from *iMIS*. There are also numerous additional improvements, such as the ability to use iQA for simple report creation and updates to the *iMIS* Public Views, based on input from the *iMIS* community of customers and partners that have been added to *iMIS* 15.1.

## iMIS Goes Green

*iMIS* 15.1 is an environmentally-friendly release. With past releases, we sent every customer a release kit with a CD and printed documentation. With *iMIS* 15.1 you can download the release and documentation from the ASI website.

## Recession-Buster Discounts

In recognition of the significant and unique economic challenges facing our customers this year, we are offering a variety of discounts available through **September 30, 2009**.

Now is the time to upgrade to *iMIS* 15, purchase additional modules and users, and host your *iMIS* system with ASI. This is a **ONE-TIME, CAN'T MISS** opportunity to invest in your *iMIS* system and infrastructure:
