

Do More With Less

5 Essential Ways to Do More With Less — Powered by IBC

When resources are tight, technology alone isn't the answer. Partnership is. Government funding delays, lean teams, and rising expectations make “doing more with less” the new normal for associations and nonprofits. Our 2026 Success Toolkit brings together five proven solutions to help your organization simplify operations, engage members, and drive measurable ROI. And the best part is the value!

Tool	Pain Point	How it Helps	Why IBC	Value
	Digital Spend Management Manual expense management drains staff time and slows reimbursements.	Automate expense tracking, approvals, and reporting. Gain visibility into spending while empowering teams to act faster and smarter.	As your finance transformation partner, IBC provides: • White-glove onboarding, go-live, and training • 24/7 dedicated Ramp support	Starting at \$3,500 (\$500 signing credit)
	Your Community in Their Pocket Members disengage between emails, events, and renewals.	Boost retention with your own branded app for updates, push notifications, events, and community engagement.	IBC bridges your CRM + Clowder integration for seamless data flow and adoption success.	Starting at \$500/mo
	Member Stories Made Simple Gathering testimonials and advocacy videos is slow and cost-prohibitive.	Collect authentic videos from members and supporters with a simple shareable link.	IBC manages setup, story prompts, and campaign planning to ensure your videos align with goals and compliance needs.	Starting at \$300/package
 Cart Manager for iMIS	Re-engage your shoppers Incomplete/Abandoned Checkouts are costing you lost revenue!	Recover missed sales by identifying, managing, and re-engaging members who leave items behind.	Built and supported by IBC's in-house iMIS experts with ongoing compatibility testing and updates.
